An academy within:

“Learning together, to be the best we can be”

1. Introduction

- 1.1. Beech Academy recognises there is a need to safeguard the welfare of all those within the school community and to encourage a culture of co-operation, acceptance and harmony both within and outside of school.
- 1.2. We are committed to providing a caring, friendly and safe environment for all pupils so they can learn in a relaxed and secure atmosphere. We have high expectations of all pupils, staff and parents and strive to create a school community in which all children can fulfil their potential.
- 1.3. Bullying of any kind is unacceptable at The Beech Academy. If bullying does occur all incidents will be dealt with promptly and effectively. The school actively implements its anti-bullying policy and has clear pathways for reporting, which are known to all members of the school community. Should the incident involve a member of staff this will be handled using the staff code of conduct policy and the Head Teacher, in conjunction with HR and union representatives, will conduct a thorough enquiry. Should a crime be committed during the bullying incident, the Community Police Officer will be involved as appropriate. All reported incidents will be actioned by the Head Teacher. We celebrate diversity and promote cohesion within our community.

2. Statement Of Intent

- 2.1. At The Beech Academy we are committed to providing a warm, caring and safe environment for all our children so that they can learn and play in a relaxed and secure environment. Bullying of any kind is unacceptable and will not be tolerated in our school. We take all incidents of bullying seriously. Bullying hurts. No-one deserves to be a victim of bullying.
- 2.2. Everybody has the right to be treated with respect and pupils who are bullying others need to learn different ways of behaving. The Beech Academy, acknowledge that bullying does happen from time to time – indeed, it would be unrealistic to claim that it does not.
- 2.3. When bullying does occur, everyone should be able to tell and know that incidents will be dealt with promptly and effectively in accordance with our

anti-bullying policy. We are a TELLING school. This means that anyone who knows that bullying is happening are expected to tell relevant staff.

2.4. This policy reflects the following guidance:

- Keeping Children Safe in Education 2024
- 'Preventing and tackling bullying' Advice for Headteachers, staff and governing bodies, Government, July 2017

3. What Is Bullying?

3.1. Bullying is behaviour by an individual or group, repeated over time, that intentionally hurts another individual or group either physically or emotionally.

3.2. Bullying can take many forms (for instance, cyber-bullying via text messages or the internet), and is often motivated by prejudice against particular groups, for example on grounds of race, religion, gender, sexual orientation, or because a child is adopted or has caring responsibilities. It might be motivated by actual differences between children, or perceived differences. Stopping violence and ensuring immediate physical safety is obviously Beech's first priority but emotional bullying can be more damaging than physical; staff are expected to make their own judgements about each specific case. The school uses a contextual safeguarding approach and will fully investigate each concern

3.3. Many experts say that bullying involves an imbalance of power between the perpetrator and the victim. This could involve perpetrators of bullying having control over the relationship which makes it difficult for those they bully to defend themselves.

3.4. The imbalance of power can manifest itself in several ways. It may be physical, psychological (knowing what upsets someone), derived from an intellectual imbalance, or by having access to the support of a group, or the capacity to socially isolate. It can result in the intimidation of a person or persons through the threat of violence or by isolating them either physically or electronically online.

“The repetitive, intentional hurting of one person or group, where the relationship involves an imbalance or power. Bullying can be physical, verbal or psychological. It can happen face to face or online” Anti – bullying alliance, 2024.

3.5. Some of the reasons pupils may be bullied link to the above areas covered by the Equalities Act 2010 and are as follows:

- Race, religion or culture
- Special Education Needs or disability
- Appearance e.g., being over-weight or health conditions
- Home circumstances and lifestyles including young carers and looked after children.
- Sexist or sexual bullying
- Gender
- Sexual orientation / Homophobic Bullying
- Transgender status / Transphobic bullying

3.6. The following are examples of bullying behaviours:

- Verbal e.g. name-calling, sarcasm, spreading rumours, threats, teasing and belittling.
- Physical e.g. pushing, poking, kicking, hitting, biting and punching
- Emotional e.g. spreading hurtful and untruthful rumours, excluding people from groups, hiding books, threatening gestures, ridicule, humiliation, intimidating, manipulation and coercion.
- Cyber/ Online e.g. Instagram, Snapchat, TikTok and/or WhatsApp, posting on social media, sharing photos and social exclusion.
- Sexual e.g. unwanted physical contact, inappropriate touching, abusive comments, homophobic abuse, exposure to inappropriate films.
- Written e.g. ridicule through drawings and writing e.g. on planners/PC's
- Incitement e.g. encouraging others to bully
- Extortion e.g. demands for money or personal property
- Damage to Property e.g. theft of bags, tearing clothes, ripping books

3.7. This is by no means a comprehensive list of reasons and behaviours and some evolve at different times.

4. Hate Crime

- 4.1. Where pupils, staff or parents feel that they are subject to any form of hate crime they should use the following link: http://report-it.org.uk/your_police_force

5. Impact Of Bullying

- 5.1. Research confirms the destructive effects of bullying on the lives of young people. Some of the effects are:

- Poor school attendance
- Lower academic achievement
- Low self-esteem and poor self-worth
- Lack of confidence
- Anxiety
- Loss of identity
- Feelings of guilt
- Long term mental health difficulties

6. Some Signs Of Bullying

- Reluctance to attend school
- Poor school performance
- Behaving out of character
- Missing or damaged belongings
- Self-harm
- Increased episodes of illness (real / imaginary)

- 6.1. These signs and behaviours could indicate other problems, but bullying should be considered as a possibility and investigated.

7. What We Will Do As A School

- 7.1. Ensure the whole school community has an understanding of bullying and its consequences.
- 7.2. Appoint a designated member of staff as anti-bullying officer's –Victoria Grayson & Charlotte Dunn, **Behaviour & Attendance**. The Designated Safeguarding Lead is: Matthew Heartfield.
- 7.3. Ensure that there are clear and consistent pathways for reporting incidents of bullying which are known to all members of the school community.
- 7.4. Implement a consistent system for recording incidents of bullying in line with government advice.
- 7.5. Develop a preventative approach to bullying. Pupils will be encouraged to recognise that not only do they have rights but the choices they make bring responsibilities.
- 7.6. Identify and make safe, areas in school where bullying could/has been known to occur.
- 7.7. Be aware of factors which may cause some children to be more vulnerable than others.
- 7.8. Work in partnership with the police should there be bullying incidents where a crime has been committed.
- 7.9. Foster a clear understanding that bullying, in any form, is not acceptable.

8. How We Do This

8.1. We do this by:

- Regular praise of positive and supportive behaviour by all staff.
- Work in school which develops empathy and emotional intelligence.
- Any incidents are treated seriously and dealt with immediately.
- If a child is found to be the victim of bullying outside school then help and support will be offered and advice given on how to avoid further incidents in future. The parents of both the victim and perpetrator will be informed.

9. Legislative Assurance

- 9.1. The Equality Act (2010) stipulates that schools (including academies and free schools) cannot unlawfully discriminate against pupils because of their disability, gender, race, religion or belief, sex and sexual orientation.
- 9.2. Protection is now extended to pupils who are pregnant or undergoing gender reassignment
- 9.3. Ensure that Children and Young people have some involvement in the development of the anti-bullying policy and strategy along with the process of monitoring, review and evaluation.
- 9.4. Safeguarding children and young people – under the Children Act 1989 a bullying incident should be addressed as a child protection concern when there is 'reasonable cause to suspect that a child is suffering, or is likely to suffer, significant harm'. Where this is the case, the school staff should report their concerns to their local authority children's social care. Even where safeguarding is not considered to be an issue, schools may need to draw on a range of external services to support the pupil who is experiencing bullying, or to tackle any underlying issue which has contributed to a child engaging in bullying.

10. Anti-Bullying Strategy

- 10.1. The school takes part in National Anti-Bullying week (Beech Friendship week), the Anti-Bullying Charter Mark, and staff undertake and deliver Internet Safety awareness sessions.

11. How We Will Work With Victims Of Bullying

- 11.1. The school will always:
 - Ensure that there are easy/clear pathways for reporting bullying.
 - Ensure that victims are listened to and reported incidents are acted upon.

- Ensure that strategies are put in place to support individual needs.
- Ensure victims are consulted, and kept involved and informed.
- Ensure all concerns are recorded accurately on the appropriate system and review by the DSL & Anti bullying officer to identify trends to inform education/ avenues of potential support.

12. How We Will Work With Those Accused Of Bullying

12.1. The school will always:

- Ensure that perpetrators are listened to acknowledging that they are sometimes themselves victims of bullying and abuse.
- Ensure that strategies are put in place to support individual needs.
- Ensure perpetrators are consulted, and kept involved and informed.
- Implement appropriate sanctions and learning programmes for example:
 - counselling/instruction in alternative ways of behaving
 - rewards/positive reinforcement for young people in order to promote change and bring unacceptable behaviour under control
 - adult mediation between the perpetrator and the victim (provided this is safe for the victim)
 - fixed periods of exclusion
 - permanent exclusion (in extreme cases which may involve violence)

13. How We Will Work With Pupils Exposed To The Bullying Of Others

13.1. The school will always:

- Ensure that they are listened to.
- Ensure that strategies are put in place to support individual needs.
- Implement appropriate learning programmes and raising awareness about the impact of bystanders.

13.2. Strategies we may use include:

- Circle Time
- Assemblies
- Circle of Friends
- Participation in Anti-Bullying/Friendship Week
- Work with other agencies
- Implement sanctions

14. How We Will Educate The School Community

14.1. The school will always:

- Involve Parents/Carers, pupils, other organisations & celebrate success.
- Emphasise through all aspects of the curriculum that bullying will not be tolerated.
- Arrange e-safety events.
- Ensure that the anti-bullying officer attends appropriate training and development.
- Provide training opportunities for the whole school staff body.
- Ensure that students learn to recognise, respect and value the differences. between groups of people within the school community.
- Challenge homophobic/transphobic language and support different families.
- Raise awareness of homophobic, trans-phobic and bi-phobic language.

15. How We Will Work With Parents And Carers

15.1. The school will always ensure:

- There are clear pathways for parents/carers to report incidents of bullying, including who to actually report the concern to.
- Every opportunity is given to parents/carers to share their concerns.
- Where a parent/carer is dissatisfied with the schools handling of a situation then the Headteacher will seek to resolve the situation informally. In the event of a formal complaint then the school's agreed complaints procedure will be invoked.
- If after following the school's formal complaints procedure the parent/carer is still dissatisfied, the Local Authority complaints procedure for handling school complaints can be accessed.

16. How We Will Support Staff

- 16.1. We will ensure appropriate agencies contact details who can support staff are available for example in the staff handbook and/or section of school website and on notice boards in the staff rooms e.g. Westfield Counselling Helpline 0800 092 0987, Human Resources and Union Representatives. Cyberbullying of staff from within the school community should be reported via the CEOP link (reporting symbol) Linked Legislation. Beech Academy utilises the information held within the ThinkuKnow website linked directly to CEOP.

<http://ceop.police.uk/safety-centre/>

[The CEOP 'eye' symbol is also located at all internet access points around school.](#)

- 16.2. Criminal law - Although bullying in itself is not a specific criminal offence in the UK, it is important to bear in mind that some types of harassing or threatening behaviour – or communications – could be a criminal offence, for example under the Protection from Harassment Act 1997, the Malicious Communications Act 1988, the Communications Act 2003, and the Public Order Act 1986. If school staff feel that an offence may have been committed, they should seek assistance from the police. For example, under the Malicious Communications Act 1988, it is an offence for a person to send an electronic communication to another person with the intent to cause distress or anxiety or to send an electronic communication which conveys a message which is indecent or grossly offensive, a threat, or information which is false and known or believed to be false by the sender.
- 16.3. The wider search powers included in the Education Act 2011 give teachers stronger powers to tackle cyber-bullying by providing a specific power to search for and, if necessary, delete inappropriate images (or files) on electronic devices, including mobile phones. Separate advice on teachers' powers to search (including statutory guidance on dealing with electronic devices) is available – see below for a link to this document.
